## Pharmacy Dispensary Sloping Shelves.

To cater for storage of fast moving items where easy and visible access is a must, Ultradeks sloping shelves, specifically designed for dispensaries is the right solution. With standard bays consisting of 10 sloping shelves, each sloping shelf includes acrylic front for easy visibility of stock and 10 metal dividers to divide stock. Each fully retractable sloping shelf can be angled at 15 degrees to activate gravitational feed of stock.

Sloping Shelves available in two widths:

- 625 mm centre-to-centre
- 1000 mm centre-to-centre

Sloping Shelves available in three useful depths:

- 350 mm
- 450 mm
- 550 mm

Colours available:

- Silver
- White
